### **Curtis Wendling Named as Dosatron Regional Sales Manager**

CLEARWATER, Florida, July 8, 2015 – Dosatron International, Inc., with corporate offices in Clearwater, Florida, has named Curtis Wendling Regional Sales Manager.

Curtis recently graduated from Kansas State University with a degree in Marketing and was active in the National Strategic Selling Institute where Curtis was a Key Account Manager and helped create a system designed to help students succeed at University career fairs.

“I am very excited to start working with the great people at Dosatron. I hope to bring an added energy to the sales team, build lasting relationships with customers, and help them get excited about the excellent products and services Dosatron has to offer.”

Curtis recently moved to Clearwater, Florida and will be working out of the corporate offices when he isn't traveling, visiting customers, or attending tradeshow. He is looking forward to the great golf weather that Florida has to offer and of course, the beautiful beaches.

To speak with Curtis, or for more information, contact Dosatron International at 800-523-8499, or visit Dosatron's website at [www.dosatronusa.com](http://www.dosatronusa.com).

#### **About Dosatron International**

Dosatron International, Inc. is an industry leader in water-powered, proportional chemical injectors. Dosatron products are manufactured according to ISO 9001:2000 and ISO 14001:2004 standards.
