**GREASE MONKEY INTERNATIONAL NAMES WIL ESH PRESIDENT OF  
GREASE MONKEY<sup>®</sup> RETAIL DIVISION**

*GREENWOOD VILLAGE, Colo., August 26, 2015*– Grease Monkey International, franchisor and operator of automotive maintenance and repair centers in the U.S., Latin America and China announced today the appointment of Wil Esh as president of its corporate-owned Retail Division. The division presently operates 62 quick lube centers around the country and continues to seek strategic acquisitions.

Esh previously worked for Grease Monkey International from 1991 to 2006, followed by eight years in various leadership roles with Big O Tires<sup>®</sup>, a subsidiary of TBC Corporation. He rejoined Grease Monkey International in 2014 as Sr. Vice President, Retail Operations.

“Wil’s leadership of the Retail Division has brought a consistent, superior service experience to our customers, and delivered strong, steady sales performances from our centers including those located in some of the more economically challenged areas of the country,” said John B. Adams, Grease Monkey International President and CEO. “His outstanding contributions to our organization have proven to be vital to the service and growth strategies for the corporate-owned operations of Grease Monkey International.”

**About Grease Monkey International, Inc.**

Grease Monkey International, Inc. is one of the nation’s largest franchisors of automotive maintenance and repair centers. Founded in 1978, Grease Monkey International currently has more than 300 centers operating in the United States, Latin America and China that offer consumers a ‘less hassle, more hustle’ automotive service experience. Our complete line of fluid, filter and other automotive maintenance and repair services help to keep drivers safe on the road.
