**GREASE MONKEY® AUTO MAINTENANCE CENTER  
AND MONKEY SHINE CAR WASH / DOG WASH  
CELEBRATE GRAND OPENING**

*Farmington, NM, October 12, 2015* – The Grease Monkey® and Monkey Shine center located at 1600 E. 20<sup>th</sup> Street in Farmington celebrated its Grand Opening September 24-26th. The event kicked off on Thursday, Sept. 24th with special offers and activities throughout the weekend, including free car washes, oil change specials and a grand prize giveaway of a 50" flatscreen TV. The complex also offers dog wash services, which was a treat for many canine friends.

The center features a clean, comfortable seating area with television for the comfort of customers having their vehicles serviced. A ribbon cutting ceremony with the Farmington Chamber of Commerce kicked off the weekend's activities.

The center is owned and operated by Chris Beal, Ken Stevens and Steve Miller of Farmington, New Mexico. "We are excited to bring the international franchise to Farmington," said owner Chris Beal. "The complex has been remodeled to offer more services that area drivers need, and greater comfort and lobby amenities for customers."

The Grease Monkey® center is open Monday through Friday, 8:00 a.m. to 6:00 p.m., and Saturday, 9:00 a.m. to 5:00 p.m. For more information call 505-278-8462, visit their website at [www.GreaseMonkeyFarmington995.com](http://www.GreaseMonkeyFarmington995.com), or find them on Facebook.

Founded in 1978, Grease Monkey International, Inc. is one of the largest automotive maintenance chains not owned by a major oil company, with more than 300 centers located in the United States, Latin America and China. Grease Monkey® centers focus on a "less hassle, more hustle" customer experience to fit the busy lives of the driving public by meeting their vehicle maintenance needs based on vehicle manufacturer recommendations. Grease Monkey® centers provide oil changes and other services that meet or exceed vehicle owner's manual specifications and maintain warranty requirements. Services include fluid, filter and tire maintenance, as well as brake services. For more information, go to [www.greasemonkeyintl.com](http://www.greasemonkeyintl.com).
