Rio Charity Car Wash Offers Free Car Washes to Veterans on Veterans Day

RICHMOND, VA - [Rio Car Wash](#) will offer free car washes for veterans at all of their locations in Virginia, including their two Richmond area locations at 11100 Hull Street in Midlothian and at 8220 Midlothian Turnpike on Tuesday, November 11th.

This offer is part of the international charitable endeavor, Grace For Vets, which consists of car wash operators that provide free car washes to veterans and service personnel each year on November 11 to honor their past and present service to their country.

In order to receive a free car wash, veterans are asked to let the attendant know they are a veteran or in the armed forces. No proof of veteran or personnel status will be required.

Rio Car Wash began in 1995. Since that time they have grown to four locations in Virginia and feature state of the art, all soft cloth equipment and premium brand automotive car care products. “My father, Neil Small, is a Marine Corp veteran and co-owner of our Stafford location. We are honoured to offer those who have and are serving, the opportunity to enjoy a clean automobile as a thank you for their service,” said Jeff Small of Rio Car Wash.

Rio Car Wash offers a complete range of wash services, including express detailing at the Sebring Drive location. Rio Car Wash seeks to minimize its impact on the environment by using reclaimed, treated and recycled water and safe, biodegradable, phosphate-free wash solutions. The company is committed to giving back to the community through charitable support for local groups and organizations.
